

# Sleepwalker

Faun Fables

Ooh, ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh, ooh

Ah

"The wind is warm  
It blows my long hair  
My sister reminded me  
Spirits are thick in the dusk air  
Where did her dreams go  
So dear"  
They live in one that's  
Still here

Sleepwalker, sleepwalker  
Who's there  
Sleepwalker, sleepwalker  
Take care

"My arms out before me  
The bushes don't ignore me  
Along this pretty road  
Puddles all aglow"  
Where did her dreams go  
So dear"  
They live in one that's  
Still here

Sleepwalker, sleepwalker  
Long hair  
Sleepwalker, sleepwalker  
Night air

Bah ah, bah ah, bah ah

Ooh, ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh, ooh

Bah

"Searching for a beginning  
Maybe I'll hear her singing"

Sleepwalker, you must take care  
Sleepwalker, trailing your long hair
