

# Designing the Enemy

Fear Factory

All you are  
I have been

All that I wanted  
I gave to you

I have no sympathy  
I show no mercy

All that I hated  
I waste on you  
I wait for your time  
Your time to kill

All you are  
I have been

The conflict is pure  
The thruth devised  
The future secured  
The enemy designed

... ... kill

All you are  
I have been
