Caught beneath visions of hatred
Drowning fast in sounds of silence
Caught between divisions of hate
Can't breathe under this weight of existence

```
Too strong,
Too strong for you
Too strong for you
Too strong,
Too strong,
Too strong for you
Too strong,
Too strong,
Too strong,
Too strong for you
```

Drowning
Drowning
Drowning
Drowning {X2}

Too strong,
Too strong,
Too strong,
Too strong for you
