

3 Minutes to Explain

Fedde Le Grand

Hey man, hey man
I only got 3 minutes to explain myself
But don't stop dancing
Just listen to me

Hey man, hey man
I only got 3 minutes to explain myself
But don't stop dancing
Just listen to me

I've been on this stage of life before
I told myself don't do this no more
As you can see I'm here again
Doing it over and over and over again

Hey man, hey man
Just get closer
Let it take over

Hey man, hey man
I only got 3 minutes to explain myself
But don't stop dancing
Just listen to me

I've been on this stage of life before
I told myself don't do this no more
As you can see I'm here again
Doing it over and over and over ...
This aint what I want
This aint what I need
You better stop this thing
Don't do it to me

This aint what I want
This aint what I need
Just set me free

This aint what I want
This aint what I need
You better stop this thing
Don't do it to me

This aint what I want
This aint what I need
Just set me free
