

# Forgive

Feeder

Shoot holes in me,  
Then you watch as i bleed,  
Sticks, Sticks and stones,  
Break my bones as i speak,  
Leave me to burn,  
As i melt in my pain,  
Watch as i drown in my tears,  
We have made.

Cause we've got to forgive,  
Things are changing at last,  
I hope for the best,  
But i don't understand i'm just a man,  
I'm still trying to see.

Love, Love is hate,  
Can't seperate,  
how it is,  
Deep in grave,  
Can't pretend,  
'When it's real.'

Cause we've got to forgive,  
Things are changing at last,  
I hope for the best,  
But i don't understand i'm just a man,  
I'm still trying to see.

See a way,  
Move away,  
See a way,  
Will i ever be saved for this,  
Will i ever be clean.

Shoot holes in me,  
Then you watch as i bleed,  
Sticks, Sticks and stones,  
Break my bones as i speak,  
Leave me to burn,  
As i melt in my pain,  
Watch as i drown in my tears,  
We have made.

(2x):

Cause we've got to forgive,  
Things are changing at last,  
I hope for the best,  
But i don't understand i'm just a man,  
I'm still trying to see.

I wish for the best,  
I wish for the best,  
Cause we've got to forgive,  
we've got to forget.
