

Tumble and Fall

Feeder

All this for nothing, yeah yeah yeah
Praying and hoping, fooling yourself
You know that you can give love a reason
Give love a chance

We tumble and fall, together we crawl
Forever we'll be, tumble and fall

Heaven's above us, yeah yeah yeah
Living in solace, I give you it all
Just for a day, just for a second
Just for the way

We tumble and fall, together we crawl
Forever we'll be, tumble and fall

Life's not the same, since that day you went away
I recall like the drops of summer rain that fell on me
Come back to me, come back to me, yeah yeah yeah [x3]

We tumble and fall, together we crawl
Forever we'll be, tumble and fall
Together we crawl, forever we'll be, tumble and fall

Yeah yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah yeah
Yeah yeah yeah
