## **Tumble and Fall**

Feeder

All this for nothing, yeah yeah yeah Praying and hoping, fooling yourself You know that you can give love a reason Give love a chance

We tumble and fall, together we crawl Forever we'll be, tumble and fall

Heaven's above us, yeah yeah yeah Living in solace, I give you it all Just for a day, just for a second Just for the way

We tumble and fall, together we crawl Forever we'll be, tumble and fall

Life's not the same, since that day you went away I recall like the drops of summer rain that fell on me Come back to me, come back to me, yeah yeah [x3]

We tumble and fall, together we crawl Forever we'll be, tumble and fall Together we crawl, forever we'll be, tumble and fall

Yeah yeah
