

Machine

Felix da Housecat

Time's up
Our thoughts are changing
Is your world
My world
Their worlds too
I have
I have my
Own life
And with yours
I have
No words

I'm a Machine, You're a Machine
I'm tired of being Machine
Damn Machines,
You're a Machine, I'm a Machine
I'm tired of being
A damn Machine

I can't
Feel the
Emotion
So deep
So empty
Inside
Your numb
So Far
I'm Too
De la dee
Dee dum
Dee Doo

I'm a Machine, You're a Machine
I'm tired of being Machine
Damn Machines,
You're a Machine, I'm a Machine
I'm tired of being
A damn Machine

Have you ever
Been so used
And abused
So confused
Such confused

I'm a Machine, You're a Machine
I'm tired of being Machine
Damn Machines,
You're a Machine, I'm a Machine
I'm tired of being
A damn Machine
