

Only You

FFH

What can I say to make you understand
All the things I do
And the way they fit in the Master's plan
What can I say to you to make you not ask why
I always pray for you
I can't forget no matter how hard I try
'Cause the world keeps on spinning 'round and 'round
And it seems you're spinning upside down

Only You can save my soul
And only You can make me whole again
Only You can see the need in me
And fill the need completely

What can I say tonight to erase all the doubt
To brighten up your eyes
To show you what love is all about
What can I say tonight to crack the ice
To make you realize
That I can see through your disguise
'Cause the world keeps on spinning 'round and 'round
And it seems you're spinning upside down

Though you run away
You could never run too far away
From the One who formed you with His hand
He's calling you to take His hand again.
