

Waltz For Jennifer

FFH

Another long day is gone and I'm ready
For another long night where I'll be by your side
Another long day will come and I'll thank Jesus
That I am alive and that He made you mine

We belong together, you and me
Holding on tight like lock and key
Going strong the way this love should be - a fantasy
And I'm so glad that God made me for you and you for me

I'm having that dream where we are walking
Together along with the sand in our feet
Then I am awake and I realize
It wasn't a dream, it was reality
