

My Long Walk to Jail

Filter

There's a little place I'm going
It's a place that I know well
It's a little place that's growing
It's a little space like hell

Goodbye Mom
Goodbye Dad
Goodbye brothers and my sisters
yeah

So, what makes you think
I'm coming back
This makes me feel so fucking bad
What makes you think
I'm coming back
This makes me feel so fucking bad

Yeah, I'm going to hell
Yeah, I'm going to hell

There's a little fear I'm showing
I'm not so tough anymore
I feel this sickness and it's growing
I'm not so proud anymore

Goodbye Mom
Goodbye Dad
Goodbye brothers and my sisters
yeah

So, what makes you think
I'm coming back
This makes me feel so fucking bad
What makes you think
I'm coming back
This makes me feel so fucking bad

Yeah, I'm going to hell
Yeah, I'm going to hell
Yeah, I'm going to hell
Yeah, I'm going to hell
