

# I'm Not Satisfied

Fine Young Cannibals

It's hard, can't afford to stop  
Keep on working, till you're fit to drop  
Then comes the weekend and my troubles go away  
Monday morning brings them back again

No, no, no I'm not satisfied  
Can't there be, more to life  
I can't see, reasons why

Going steady, have been a while  
Ain't ready, not by a mile  
I try to tell her that I'm not the marrying kind  
She tells me she's gonna change my mind

No, no, no I'm not satisfied  
Can't there be, more to life  
I can't see, reasons why

I want a place to go  
I could go, leave these streets alone  
Everywhere you go now is just misery  
There's no hope living in this city

No, no, no I'm not satisfied  
Can't there be, more to life  
I can't see, reasons why
