

# Even After All

Finley Quaye

Even after all  
The murdering  
Even after all  
You're suffering sow  
You know I love you so  
You know I love you so and so

Even after all

All that you go on.... sir  
Is the order of the day  
And all that you believe... sir  
Is the order in this society  
You know I love you so  
You know I love you so and so

Even after all

This is my manner y'all  
Man just feel satisfied  
No competition  
No competition at all  
I just feel satta star

Them eyes are gorgeous girl  
No demise, uprise  
I got to raise it again  
Them eyes are gorgeous  
I must advance

I don't check for no superficial  
It's got to be beneficial

These sonic fruits  
These sonic fruits  
Sight  
These sonic fruits  
Got them moving around alright  
Hyper play  
Steppin' and rising

Even after all  
The murdering that go on  
Even after all oh no  
Your suffering sow  
You know I love you so  
You know I love you so and so

Even after all

You just survive soldier  
And your soul is beautiful  
And your soul is good
