

## Clock Moves Sideways

Fish

Wheels within wheels, turning wheels, tumbling towards a conclusion.

A crimson cascade, the blood in the bowl,  
And the mind that you're in is walking the world but you feel like you're walking on water,  
Face up to the facts, face up to the truth, face up to reality,  
you're just being used  
There's a spark in your eyes, when she calls you'll explode and  
she's blaming it all on crossed wires.

When the clocks move sideways, when the clocks move sideways, Fellini days

Fix a stare at the wall, avoiding the accusations that lurk in  
the mirror, trying to catch my attention,  
Reflect on the fact that your life is such a mess.  
Whose fault is that anyway?  
The shutters are closed, did you lock all the doors?  
Arm the alarms? Sheath all the knives?  
Unload all the guns? Throw out all the pills?  
Did you remember to switch off the TV?  
Don't answer the phone,  
Provide the impression there's nobody home,  
As if there was anyway.  
As if there was anyway.

When the clock moves sideways, the clock moves sideways.

Tick, tock, tick, tock, tick, tock, tick, tock, tick, tock, tick, tock  
Tock, tock, tock, tock...

When the clock moves sideways, when the clock moves sideways  
Fellini days  
Fugazi  
Don't answer the phone  
Fugazi

Wheels within wheels within wheels,  
Tumbling towards a conclusion,  
Wheels within wheels within wheels,  
Tumbling towards a conclusion,  
Tumbling towards a conclusion,  
Tumbling towards a conclusion

Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot

For auld lang syne
