

# Wash It All Away

## Five Finger Death Punch

I've given up  
On society  
Up on my family  
Up on your social disease

I've given up  
On the industry  
Up on democracy  
Done with all your hypocrisy

All of the chaos  
And all of the lies  
I hate it

I'm wasting here  
Can anyone wash it all away  
I'm waiting here  
For anyone to wash it all away  
Wash it all away

I've given up  
On the media  
Feeds my hysteria  
Sick of living down on my knees  
I've given up  
On morality  
Feeds my brutality  
Fuck what you think about me

All of the chaos  
And all of the lies  
I hate it

I'm wasting here  
Can anyone wash it all away  
I'm waiting here  
For anyone to wash it all away  
Wash it all away

I won't change for you  
And I can't take the pain  
There's nothing you can do  
And there's nothing you can say

I've given up  
On everything  
Up on everything  
Up on everything

I'm wasting here  
Can anyone wash it all away  
I'm waiting here  
For anyone to wash it all away  
Wash it all away

I'm wasting here  
With everyone just wash it all away

I'm waiting here  
For anyone to wash it all away  
Wash it all away  
Wash it all away
