Innocent Son

Fleet Foxes

You left me there Waiting at the bottom of the stairs With my eyes closed Holding my right hand in my left

There is no time for Hesitation now You come or go Or go

Rust suddenly falling beside me On a ghost of a morning Riding in sorrow to the harbor

Far behind, oh me The bodies of my friends Hanging alone Alone again

Some twisted thorn
Tells me you saw me in the night with another
Keep all my promises to break them

I am no, oh no Innocent son You run Rabbit run
