Bleed to Love Her

Fleetwood Mac

Once again she steals away Then she reaches out to kiss me And how she takes my breath away Pretending that she don't miss me

Ooh, I would bleed to love her Ooh, bleed to love her Ooh, I would bleed to love her

And once again she calls to me Then she vanishes in thin air And how she takes my breath away (breath away) Pretending that she's not there

Ooh, I would bleed to love her Ooh, bleed to love her Ooh, I would bleed to love her

Somebody's got to see this through All the world is laughing at you And somebody's got to sacrifice If this whole thing's gonna turn out right

Ooh, I would bleed to love her Ooh, bleed to love her Ooh, I would bleed to love her Bleed to love her Bleed to love her
