

## Coming Home

Fleetwood Mac

Well now look for me baby  
Cause you know I'm coming home  
Well now look for me baby  
Cause you know I'm coming home  
Well I really outn't love you darlin'  
You know you done me wrong

Well I'm coming home to you baby  
And I ain't gonna leave no more  
Well I'm coming home to you baby and I ain't gonna leave no more  
Well I know I done you wrong darlin'  
Like I'm a knockin' at your door

I want to tell you baby  
Just before I leave this town  
I wanna tell you baby  
Just before I leave this town  
Well I'm coming home to you baby  
And won't stand no pushin' around
