

It's You I Miss

Fleetwood Mac

When I think about you
I think about how much I miss you
when you're not around

When I think about you
I think about how much I can't wait
to hear the sound of your laughter
Time and distance never matter

Well I miss you now
I have so many questions
About love and about pain
About strained relationships
About fame
As only he could explain it to me

Seems like yesterday
I think about how much I
Wish that you were here with me now
The invisible girl
That was my name
She walks in and walks out
And I'm sorry now
I'm sorry now

Well I miss you now
I have so many questions
About love and about pain
About strained relationships
About fame
As only he could explain it to me

Tell me again

Paris to Rome
London to Paris
Always goodbye
I nearly couldn't bear it
Her heart settles down
She's back on that staircase
On the way up to her place

I miss you now
I have so many questions
About love and about pain
About strained relationships
About fame
Only he could explain it to me

Tell me again

Paris to Rome
London to Paris
Always goodbye
I nearly couldn't bear it
Her heart settles down
She's back on that staircase

On the way up to her place

I miss you now
I have so many questions
About love and about pain
About strained relationships
About fame
As only he could explain it to me

I miss you now
I miss you now
Miss you now
