

# Madison Blues

Fleetwood Mac

Well, you got a song about your Madison shoes  
Well, I got a song we call the Madison blues  
We do the Madison blues  
We do the Madison blues  
We do the Madison blues  
Yes and rock away your shoes

Well I got a girl her name is Linda Loo  
She said she'd let me roll her but you know it ain't true  
We do the Madison blues  
We do the Madison blues  
We do the Madison blues  
Yes and rock away your shoes

Well, you got a song about your Madison shoes  
Well, I got a song we call the Madison blues  
Put on your Madison blues shoes  
Put on your Madison blues  
Put on your Madison blues shoes  
And rock away all your blues
