

Whistle

Flo Rida

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

I'm betting you like people
And i'm betting you love freak mode
And i'm betting you like girls that give love to girls
And stroke your little ego
I bet you i'm guilty your honor
that's just how we live in my genre
When the hell I'm paid to roll wider
There's only one flo, and one rida
I'm a damn shame
Order more champagne, pull a damn hamstring
Tryna put it on ya
Bet your lips spin back around, karma
Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby,
Whistle baby, whistle baby

Whistle baby, whistle baby,
Whistle baby, whistle baby

Whistle baby, whistle baby,
Whistle baby, whistle baby

It's like everywhere I go
My whistle ready to blow
Shorty don't leave a note
She can get any by the low
told me shes not a pro
It's okay, it's under control
Show me soprano, cause girl you can't handle
Baby we'll start something, you come up in bar clothes
Girl i'm losing with my bugatti the same knows
Show me your perfect pitch,
You got it my banjo
Talented with your lips, like you blew out a candle
So amusing, now you can make a whistle with the music
Hope you ain't got no issues, you can do it
Even if its no fiction, never lose it

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby,
Whistle baby, whistle baby

Whistle baby, whistle baby,
Whistle baby, whistle baby

Whistle baby, whistle baby,
Whistle baby, whistle baby

Go'on girl you can work it
Let me see you whistle while you work it
I'mma lay back, don't stop it
Cause I love it how you drop it, drop it, drop it, on
me
Now, shorty let that whistle blow
Yeah, baby make that whistle blow

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby,
Whistle baby, whistle baby,

Whistle baby,
Whistle baby, whistle baby

Whistle baby,
