

## Dirt

### Florida Georgia Line

You get your hands in it  
Plant your roots in it  
Dusty head lights dance with your boots in it (dirt)  
You write your name on it  
Spin your tires on it  
Build your corn field, whiskey  
Bonfires on it (dirt)  
You bet your life on it

Is that an old shade  
Red roads clay you grew up on  
That plowed up ground  
That your dad  
Damned his luck on  
That post game party field  
You circle up on  
And when it rains  
You get stuck on  
Drift a cloud back  
Behind county roads  
That you run up  
And mud on her jeans  
That she peeled off  
And hung up  
Her blue eyed  
Summer time smile  
Looks so good that it hurts  
Makes you wanna build  
A ten percent down  
White picket fence house on this dirt

You've mixed some sweat with it  
Taken a shovel to it  
You've stuck some crosses and some painted  
Goal posts through it (dirt)  
You know you came from it (dirt)  
And some day you'll return to

This elm shade red rust clay  
You grew up on  
That plowed up ground  
That your dad  
Damned his luck on  
That post game party field  
You circle up on  
And when it rains  
You get stuck on  
Drift a cloud back  
Behind county roads  
That you run up  
And mud on her jeans  
That she peeled off  
And hung up  
Her blue eyed  
Summer time smile  
Looks so good that it hurts  
Makes you wanna build

A ten percent down  
White picket fence house on this dirt
