

Can I tell you a story  
As we dance while the sun starts to bleed  
Song of songs love is calling  
Daughter wake up from your sleep

Refined I'll become the most dazzling precious treasure  
I'll be treasured over all the earth

Bearing the gift of a new heart  
Patience ablaze  
I'm slowly burning

Refined I'll become the most dazzling precious treasure  
I'll be treasured over all the earth  
Refined I'll become the most dazzling precious treasure  
I'll be treasured over all the earth

I am in awe and in shock  
I'm in love and given away  
I'm reserved with these words

Can I tell you a story  
As we dance while the sun starts to bleed  
Trees rejoice with the wind here  
Hallelujah, Yeshua

Tonight I've become the most dazzling precious treasure  
I am treasured over all the earth  
Just look at what he's done  
How he's laying down his life  
Take this life  
oh most dazzling precious treasure

Tonight I've become the most dazzling precious treasure  
I am treasured over all the earth
