

# Girl Of The Year

FM Static

I met this girl who likes her heavy metal  
She gets excited when slipknot plays on  
Leno she's a heck of a girl with no cares in  
The world and she likes it that way

She wears black socks with pink stripes in  
'em and she swears that her friend goes  
Out with Richard Simmons she's a one of a  
Kind i can't get off my mind and i like it  
That way

And if you listen closely you will hear then  
Say...

Stand clear she's the girl of the year and  
There's no use in trying to get her off my  
Mind she stole my heart and she's tearing  
It apart it's never gonna be the same

She's a love potion that plays with your  
Emotions a big swimmer that won't go  
Near the ocean and if everything's fine  
She'll get to work on time and they like her  
That way

She wears black socks with pink stripes in  
'em and she swears that her friend goes  
Out with Richard Simmons she's a one of a  
Kind i can't get off my mind and i like it  
That way

And if you listen closely you will hear then say...

Stand clear she's the girl of the year and  
There's no use in trying to get her off my  
Mind she stole my heart and she's tearing  
It apart it's never gonna be the same

And now i'm taping myself together i'm taping  
Myself together again now i'm taping  
Myself together i'm taping myself together  
Again

And I won't let this happen again  
Eh-eh, hey-eh, ey-e-yeah-e-yeah-eh,  
Eh-eh, hey-eh, ey-e-yeah-e-yeah-eh

Hey-Hey!...Together again and again and  
Again and together again and again and  
Again and again...

Stand clear she's the girl of the year and  
There's no use in trying to get her off my  
Mind

She stole my heart and she's tearing it  
Apart she stole my heart and she's tearing

It apart she stole my heart and she's tearing  
It apart she stole my heart and she's  
Tearing it apart now it's never gonna be the same
