Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
Make it happen, boys and girls
Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
