

On the Luna

Foals

When I was a latchkey kid on the Lunar
A free-from-guilt born, baby boomer
Can you pick me up a little bit sooner?
I'm waiting all day, all day

When I wasting my days at the lotto
I was picking my teeth with a biro
I was keeping it cool with cryo
Waiting all day, all day

Agitator, extricator
Won't you come, evacuator?
Infiltrator, hesitator
Won't you come, emancipator?

A day in the life of
A day in the life of
A day in the life of
A day in the life of

When I was a Kung-Fu kid on the Lunar
I was moonin' at the Bella Luna
Trump clogging up my computer
But I'm watching all day, all day

They say that hell is other people
But the other side's there for evil
Please don't let there be a sequel
'Cause I'm watching all day, all day

Agitator, extricator
Won't you come, evacuator?
Infiltrator, hesitator
Won't you come, emancipator?

A day in the life of
A day in the life of
A day in the life of
A day in the life of

We had it all but we didn't stop to think about it
We had it all but we didn't stop to think about it
We had it all but we didn't stop to think about it
I've had a wild one, I've had a wild one

A day in the life of
A day in the life of
A day in the life of
A day in the life of

When I was a Kung-Fu kid on the Lunar
I was moonin' at the Bella Luna
Trump clogging up my computer
I'm watching all day, all day
