

## Delayed Reaction

Foghat

After all is said and done, it wasn't hard to be the lonely one  
.  
Sad, but not a tear was shed, you agreed with every word I said  
.  
I had my new life started, I couldn't be downhearted,  
Days rolled slowly by, finally you stayed out of my mind.

I filed your name under "Forgotten", and then somebody pushed the  
panic button.  
Suddenly my nerves were shakin', I realized I could have been mis-  
taken.  
Then like they say like you're supposed to, I'm ridin' on a roller  
coaster.  
I found love too late, too bad she's not the waiting kind.

I never felt like this before, I had to use my imagination.  
Love came to my door, too late for the invitation,  
Delayed reaction, Reaction, Reaction - Delayed reaction, (Reaction,  
Reaction).

It's a mystery to me, I don't know why our love is history,  
At the time I didn't know it, and it's so easy for a fool to blow  
it.  
You can call me a fool now, I don't feel quite so cool now.  
Guess I was out of time, love was waiting somewhere down the line.

I never felt like this before, I had to use my imagination.  
Love came to my door, too late for the invitation,  
Delayed reaction, Reaction, Reaction - Delayed reaction, (Reaction,  
Reaction).

My heart is growin' fonder - I don't mean Henry and I don't mean  
Jane.  
I got the time to wonder, if it's too late to make her mine again.

I never felt like this before, I had to use my imagination.  
Love came to my door, too late for the invitation,  
Delayed reaction, Reaction, Reaction - Delayed reaction, (Reaction,  
Reaction)  
Delayed reaction, Reaction, Reaction - Delayed reaction, (Reaction,  
Reaction)
