

# I Like It

Foxy Shazam

Big magic woman  
Oh you got me  
Under your spell  
You hypnotize  
Me with your hips and thighs  
I wear these shades  
So when I stare  
No one can tell

So c'mon! (c'mon, c'mon, c'mon)  
Show me a little more (c'mon, c'mon, c'mon)

Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it, a lot

My gangsta girl  
With the wavy curl  
And a sexy  
Street talking slang  
You mesmerize  
Me and you mess with I  
When you booty pop and drop it  
Like it aint no thing

Ha! (c'mon, c'mon, c'mon)  
Show me a little more (c'mon, c'mon, c'mon)

Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it, a lot

Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it, a lot  
Thats the biggest black ass I've ever seen  
And I like it, I like it  
Thats the biggest black ass I've ever seen  
And I like it, I like it
