

Santa Do Right

Frankie J

Alright everybody
Gather round now
Uncle Frankie has a song for yall

I've been home and alone for Christmas
Waitin for Santa to arrive with my presents
'Cause I know I've been good
So Santa do right
I've been good for Christmas
So Santa do right

I'll be home and alone for Christmas
Waitin for Santa to arrive with my presents
'Cause I know I've been good
So Santa do right
(Santa do right yea yea)

I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Oh yea
No, I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Yea

I'll be home and alone for Christmas
Waitin for Santa to arrive with my presents
'Cause I know I've been good
So Santa do right
I've been good for Christmas
So Santa do right

I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Oh yea
No, I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Yea

I hear the bells winging, Santa Claus singing
Jingle all the way
And I hear the reindeer of his sleigh
Until he climbs down the chimney
Uh I hear them singing
Take the pillow please
I just wanna see
What kind of present he left for me
He's left for me

I've been home and alone for Christmas
Waitin for Santa to arrive with my presents
'Cause I know I've been good
So Santa do right

I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Oh yea
No, I won't shed a tear
'Cause I know he'll soon be here
And I know Santa knows that I've been nice
Yea

I've been good for Christmas
So Santa do right, yea yea
