

Sometimes

French Montana

Sometimes I wonder, aye
How I keep on movin' on, aye
I love the weed, blow the whole thing, aye
You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, aye
Where these niggas goin' wrong, aye
I'm a young ass nigga
But I could buy your bitch a home, yeah baby

I ball hard like a nigga hoopin', baby, aye
Hit it and just announce the fuckin' crib, baby, aye
When I shoot, all your heads swoosh, baby, aye
Zoo Gang, we be on the truth, baby, wow

Sometimes I wonder, aye
How I keep on movin' on, aye
I love the weed, blow the whole thing, aye
You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, aye
Where these niggas goin' wrong, aye
I'm a young ass nigga
But I could buy your bitch a home, yeah baby

Pull up on the scene, shinnin'
Rubies on the chain cost a hunnid, them diamonds
We grindin', perfect timin'
I drive a Honda, I bet they find her
Pull up with that red top BBs under, Stevie Wonder
I'm TVs under initials and no eatin' gumbo
Louis Vuitton, shawty fine
Talkin' to 'em pigs, we don't eatin' swine
And sometimes I wonder
Why my dogs keep goin' under, hann
Montana!

Sometimes I wonder, aye
How I keep on movin' on, aye
I love the weed, blow the whole thing, aye
You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, aye
Where these niggas goin' wrong, aye
I'm a young ass nigga
But I could buy your bitch a home, yeah baby
