

Heroine

From First to Last

Oh mother, is it hard to recognize me now?
Mother, why can't you recognize me now?

I've sent my letters, "everything's fine"
but I lied

Little boy
Little man
I've lost my name

Heroine, oh heroine
Where have you been when I needed you?

Little boy
Little man
I've lost my name

Heroine, oh heroine
Where have you been when I needed you?
