

Hogwash

Fu Manchu

3 weeks after!
Made a discovery (horrendus discovery- that's mine)
It was linked with
I had witnessed..
Refused to admit
Rumor of the voice say..
Jolted down the broadcast
Second time today

Dealin with the hogwash
As you know

Flyin through this trail
A blue rain fell
Just before daybreak
It was a huge mistake
So around midday
Or so they say
A close escape..
On our way
