

## Pigeon Toe

Fu Manchu

2 wheels a rollin'  
Locates the deal  
Suddenly awoken  
Scrapin the wheel  
Lost out and over  
Short length of ride  
Everyone is certain  
Everything is all right  
Wrong place and the right time  
Ride high and low  
Left for good  
We'll never know  
Can you see by the tracks left  
Dust settles slow  
So we all bow down  
Pigeon toe!  
First few were a get down  
Fast times and all  
So out of nowhere  
They began to haul  
Rollin through the flatlands  
End of day  
It too bolts upright  
Or so they say  
Through many dirt rides  
A blown 4-o-2  
Chrome shinnin mighty  
We already knew  
Can you see by the tracks left  
Dust settles slow  
So we all bow down..
