

Super Casanova
He's on the road again
Eye'n the sheep honey
Won't you be my friend?
Sign up ahead, it read
Stop and start again
Here she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin?
Cement peelin' and I'm feelin'
Road hoggin? it
Foots itchin? and I'm missin'
Gotta run again
With a head of gold, I'm told
Rubber leggin? it
Here she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin?
Here she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin?
