Solid Hex

Fu Manchu

Runnin' a motor live-shoot through in time
Hustle a fortune give-straighten the side
Chort movin all-burnin' in mind
Well past the start-i'm given' up this time

I know...right on time
I know...checkin' the line
I know...right on time
I know...

Sit there in hiber sound-spacin' a fall
Burnin' a handle thin-don't mind at all
Believe i seen it now-leavin with more
With all of them wrong-still givin' ya for

I know...right on time
I know...checkin' the line
I know...right on time
I know...
