

## Squash That Fly

Fu Manchu

Well God damn this plan has gone awry  
Like to see you try, like to see you try  
So now it's time to squash that fly  
No the reason why, no the reason why  
All this, high kicks, take steps alone  
Beats good action, beats good action  
3D beats me I didn't know  
Going it alone, going it alone

Don't you know?  
My hands  
Are the sands  
That has blown  
Don't you know?  
My hands  
Are the sands

Goodness you wish clean line get home  
Million miles alone, million miles alone  
Never see these things so stick with me  
Til the anti-freeze, til the anti-freeze  
Hot smouldering roads they never show  
Where you wanna be, Where you wanna be  
3D beats me I didn't know  
Going it alone, going it alone

Don't you know?  
My hands  
Are the sands  
That has blown  
Don't you know?  
My hands  
Are the sands
