

The Bargain

Fu Manchu

Ya shook the override
Why'd I get this far this time
A ton of more I mean
Ridin' hell and the mile this time I see

Drift machine ago
It's one you'll never know

An hour late's too soon
Surround the stop right through
A sound far too long
Explode, fail and see goin' to and I'm gone

Drift machine ago
It's one you'll never know
