Now how you measurin' Tellin' her or who's better than Shit, I made it here with the team on my back no letterman Tour like I'm a veteran Cali to the Netherlands But he's an average joe, they say he'll never win White rapper with a cheesy name Thinkin' he might find eazy fame (false) Haters please refrain Look at all these fans you seen me came Real recognizes real Maybe that's why you can't see it Put your readin' glasses on High up and I'm passin strong I engineer my sessions I can prolly teach you lessons There's so much more that meets the eye upon your first impressions See, I work hard but don't we all I rip shows? but don't we all or do we Rappers say alot but boy I, boy I really ball Traded in my social life for pro tools and a mac Stayin' in of Friday night's layin vocals on my tracks Swear I never use to party I was focused on the plaque Thought I fade away and quit, you fools I told you I'd be back I be in the lab like dexter and your as fake as polyester Do it all I stuck with school I'm bout to start my last semester So, can't tell me what it is to grind Did my thang and I took my time Class of my own boy I'm so stoned I'm high as diddy's credit line Why would I stand where I don't fit in Why would I rap if I ain't chipped in' Why would chick keep lookin' at me When it's clear to see that she came with him Shoot for the starts and I aim to win Smokin' good and drinkiin' gin Girls get loose, poorin big juice Party all night till it hit AM Yeah yeah I'm on my way Why would I trip off what they say Hit the stage for 30 minutes get off making twice their pay Damn and that some real shit you should think about it If you took the time to listen stead of poutin you'd be proud to See, regardless of what they speak They can talk I turn my cheek Givin' up and walkin' home and call it a day is super weak I keep going I'm runnin' on E Rap cats really got nothin' on me Check this out what you don't see is For a minute I be killin' it shit low-key Labels try to fly me out Buy me sushi sit me down But I don't fit in with the mainstream now So I guess that means we can't be down Sorry fools but I refuse to simply compromise my sound I'll be up on me indy shit You see my bro I get around

Give my music all away
And then I tour away for what I got in store
I'm a young entrepreneur
See everytime I worry
Or feel a bit unsure
I hit the stage and look around and feel so reassured
