

# Legulize marijuana

Gaia Mesiah

Legulize marijuana  
nevím ale já sem tam vymyslel na barech -horních třech/čtyřech  
strunách  
na začátku variace na A a G a pak už jen ty akordy až do refré  
mu kde je c,h,d,g, na to přídete-  
originál to nenjní ale zní to pravdive:))

I'm totally innocent  
I just wanna spend my life  
don't deserve your punishment  
you can see my brotha free  
Don't you see

I was born like a slave  
now I'm heading to my grave  
tell me brotha what they mean  
maybe hear my frightened scream  
but I definitely get high  
legalize marijuana

I need the satisfaction  
It's not my election  
to be inside lies!  
We're gonna take action  
kick away direction  
just tonight  
legalize marijuana  
legal lies about marijuana  
stop the lies  
legal lies
