

Why Theory?

Gang of Four

We've all got opinions.
Where do they come from?
Each day seems like a natural fact,
And what we think changes how we act.

We've all got opinions.
Where do they come from?
Distant thunder from the east
Won't disturb a morning car wash.

Each day seems like a natural fact,
And what we think changes how we act.
So to change ideas changes what we do.

Too much thinking makes me ill.
I think I'll have another gin.
A few more drinks and it'll be all right.

Each day seems like a natural fact,
And what we think changes how we act.
Each day seems like a natural fact.
Each day seems like a natural fact.
Each day seems like a natural fact.
Each day seems like a natural fact.
