## **Gang of Four**

We've all got opinions.
Where do they come from?
Each day seems like a natural fact,
And what we think changes how we act.

We've all got opinions.
Where do they come from?
Distant thunder from the east
Won't disturb a morning car wash.

Each day seems like a natural fact, And what we think changes how we act. So to change ideas changes what we do.

Too much thinking makes me ill.

I think I'll have another gin.

A few more drinks and it'll be all right.

Each day seems like a natural fact,
And what we think changes how we act.
Each day seems like a natural fact.
Each day seems like a natural fact.
Each day seems like a natural fact.
Each day seems like a natural fact.
