

# You Look So Fine

Garbage

You look so fine

I want to break your heart  
And give you mine  
You're taking me over

It's so insane  
You've got me tethered and chained  
I hear your name  
And I'm falling over

I'm not like all the other girls  
I can't take it like the other girls  
I won't share it like the other girls  
That you used to know

You look so fine

Knocked down  
Cried out  
Been down just to find out  
I'm through  
Bleeding for you

I'm open wide  
I want to take you home  
We'll waste some time  
You're the only one for me

You look so fine  
I'm like the desert tonight  
Leave her behind  
If you want to show me

I'm not like all the other girls  
I won't take it like the other girls  
I won't fake it like the other girls  
That you used to know

You're taking me over  
Over and over  
I'm falling over  
Over and over

You're taking me over  
Drown in me one more time  
Hide inside me tonight  
Do what you want to do  
Just pretend happy end  
Let me know let it show

Ending with letting go  
Ending with letting go  
Ending with letting go

Let's pretend, happy end  
Let's pretend, happy end

Let's pretend, happy end  
Let's pretend, happy end
