

Make It Happen

Gareth Emery

If you want love
You gotta give it out
You gotta give it out
Give it to me
If you want love
You gotta do it now
Gotta do it now
Give it to me, yeah

Whoa-a-a-a
You gotta make it happen, it happen
Whoa-a-a-a
You gotta make it happen, it happen, yeah

Lose control
We can sweat it out
We can sweat it out
Just give it to me
Just what I need
Everything you got
Everything you got
Just give it to me, yeah

Whoa-a-a-a
You gotta make it happen, it happen
Whoa-a-a-a
You gotta make it happen, it happen, yeah
Whoa-a-a-a
You gotta make it happen, it happen
Whoa-a-a-a
