

Cold Like That

Garth Brooks

Yeah, the high road's a little too high to take
I wanna walk a mile the easy way
Wanna take a page from your guiltless book
Wanna let myself off the hook today
Let my conscience have a break

I wish I could be cold like that, then it wouldn't hurt so bad
I could be the train for a change you could be the one tied to
the track
Baby, wouldn't it be nice just to just plow through life
Fall in love, cause a crash, walk away without a scratch and cr
ush hearts like ice
I wish I could be cold like that, so cold like that

Yeah, you burn so hot 'til you get what you want
Guess you got what you wanted
Then your love just stopped and the temperature dropped
Like your heart was haunted

I wish I could be cold like that, then it wouldn't hurt so bad
I could be the train for a change you could be the one tied to
the track
Baby, wouldn't it be nice just to just plow through life
Fall in love, cause a crash, walk away without a scratch and cr
ush hearts like ice
I wish I could be cold like that, so cold like that, so cold li
ke that

I wish I could get off on a goodbye
Be the bad guy on the other side of the tears, of the tears

I wish I could be cold like that, so cold like that
I could be the train for a change you could be the one tied to
the track
Baby, wouldn't it be nice just to just plow through life
Fall in love, cause a crash, walk away without a scratch and cr
ush hearts like ice
I wish I could be cold like that, so cold like that, so cold li
ke that
I wish could be cold like that, so cold like that
