Fishin' in the Dark

Garth Brooks

Lazy yellow moon coming up tonight Shining through the trees Crickets are singing and lightning bugs Are floating on the breeze Baby, get ready

'Cross the field where the cerrk turns back by the old stump road I'm gonna take you to a special place That nobody knows Baby, get ready

You and me going fishin' in the dark
Lying on our backs and counting the stars
Where the cool grass grows
Down by the river in the full moonlight
We'll be falling in love in the middle of the night
Just moving slow
Spend the whole night through
Feels so good to be with you

Spring is almost over and the summer's coming
The days are getting long
I've waited all winter for the time to be right
Just to take you along
Baby, get ready

And it don't matter if we sit forever And the fish don't bite We'll jump in the river and cool ourselves From the heat of the night Baby, get ready

You and me going fishin' in the dark
Lying on our backs and counting the stars
Where the cool grass grows
Down by the river in the full moonlight
We'll be falling in love in the middle of the night
Just moving slow
Spend the whole night through
Feels so good to be with you

You and me going fishin' in the dark
Lying on our backs and counting the stars
Where the cool grass grows
Down by the river in the full moonlight
We'll be falling in love in the middle of the night
Just moving slow
Spend the whole night through
Feels so good to be with you
