

# Rollin'

Garth Brooks

She was born to a mother trucker  
Raised behind the wheel  
So you can blame it on the highway  
For the way she can't sit still  
She says life is like a windshield  
It ain't no rear view mirror  
The only way to get where you're goin'  
Is find that higher gear  
And keep it

Rollin'  
Life's gonna run you over if you don't get goin'  
She said I wanna feel the earth move under me  
Movin' with the motion of a melody  
Oh I get the blues if the rhythm ain't got no soul  
You got to keep it  
Rollin'

Well I knew that I was in trouble  
When she told me that talk was cheap  
Said if you're tired get on the sofa  
'Cause the bed's no place to sleep  
Then she reached down and she kissed me  
Lord it knocked me on my knees  
And I knew if I was gonna get naked  
I was gonna have to roll up my sleeves  
And keep it  
Rollin'

Love was gonna run me over if I didn't get it goin'  
She said I wanna feel the earth move under me  
Movin' with the motion of a melody  
Boy I get the blues if the rhythm ain't got no soul  
You got to keep it  
Rollin'

So I talked her into gettin' married  
But she wouldn't hang up her wheels  
And I's afraid to take a back seat  
To the way the highway feels  
But each day she's pullin' over  
More than she used to  
She knows love is like the highway  
The main thing you gotta do  
Is keep it rollin'

Life's gonna pass you by if you don't get goin'  
She says I wanna feel the earth move under me  
Rockin' with the motion of a melody  
Boy, I get the blues if the rhythm ain't got no soul  
You got to keep it  
Rollin'

Love's gonna pass you by if you don't get goin'  
She said I wanna feel the earth move under me  
Movin' with the motion of a melody  
Boy, I get the blues if the rhythm ain't got no soul

You got to keep it
