## **The Change**

**Garth Brooks** 

One hand reaches out And pulls a lost soul from harm While a thousand more go unspoken for And they say what good have you done By saving just this one? It's like whispering a prayer in the fury of a storm

And I hear them saying You'll never change things And no matter what you do it's still the same thing But it's not the world that I am changing I do this so this world will know That it will not change me

This heart still believes That love and mercy still exist While all the hatreds rage And so many say That love is all but pointless In madness such as this It's like trying to stop a fire With the moisture from a kiss

And I hear them saying You'll never change things And no matter what you do it's still the same thing But it's not the world that I am changing I do this so this world will know That it will not change me

As long as one heart still holds on Then hope is never really gone

And I hear them saying You'll never change things And no matter what you do it's still the same thing But it's not the world that I am changing I do this so this world we know Never changes me

What I do is so This world will know That it will not change me
