

# Lovin' You Against My Will

Gary Allan

I don't wanna hurt nobody  
Don't wanna make nobody cry  
I don't wanna do wrong, I don't wanna do wrong  
I don't wanna tell no lies  
I'm lovin' you, lovin' you against my will  
Lovin' you, lovin' you against my will

I don't wanna hear the phone ring  
Don't wanna hear your voice on the line  
I don't wanna come to you, I don't wanna come to you  
I don't wanna give in this time  
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river  
Pullin' me out to sea  
The harder I try to resist you  
The weaker I seem to be

I don't wanna turn down your side street  
I don't wanna pull in your drive  
Don't wanna see you standin' there, don't wanna see you standin'  
' there  
Don't wanna see that look in your eyes  
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river  
Pullin' me out to sea  
The harder I try to resist you  
The weaker I seem to be

I don't wanna feel your heartbeat  
I don't wanna taste your kiss  
I don't wanna call your name, I don't wanna call your name  
I don't wanna want you like this  
Girl, I'm lovin' you, lovin' you against my will  
Lovin' you, lovin' you against my will
