Red Lips, Blue Eyes, Little White Lies

Gary Allan

Red lips, blue eyes and little white lies Oh darlin' I'm a fool for you Hey darlin' why can't you can be true

Red lips, blue eyes and sweet disguise Oh darlin' the things you put me through Your little white lies are breaking my heart in two

You come around and tell me that you love me so You take a little loving then you say you gotta go I know he's waiting for you on the other side of town Well I'm a fool to love you baby 'cause I know you're messing a round

Red lips, blue eyes and little white lies Oh darlin' why can't you be true I'm crazy to love you baby you know I do, yeah

Sooner or later you'll have to face the truth Little white lies will catch up with you With nowhere to run and no where to hide And no one to love you there by your side

Red lips, blue eyes and little white lies Oh darlin' the things you put me through But your little white lies are gonna catch up with you Oh your little white lies are gonna catch up with you Baby your little white lies are gonna catch up with you
