

## Your Only Escape

### Gatsby's American Dream

Evil has a sweet, sweet scent  
Wickedness is fresh and new each time  
Do you sense it?  
Can you sense the glory in it?  
I was just like you  
I was the pauper to the demon  
And you can have it too  
The power and the feeling  
It's in the semen and in the blood  
It's in all of us  
Do you wanna live?  
Do you wanna live?  
Then come with me  
Call me demon  
Call me friend  
Call me anytime  
I will sell you out with the slightest doubt  
Just like your friends did  
If there's a way in  
Then there's a way out  
Of course there is...  
If there's a way in  
Then there's a way out  
I'll let you think that way for now  
(Just for now!)

Trust me now  
Evil has a sweet, sweet scent  
Wickedness is fresh and new each time  
Do I make you salivate?  
What does the pauper have to say?  
(Evil has a sweet, sweet scent)  
I didn't find you, you found me  
I hope you got what you wanted
